

VISIONING AFFORDABLE HOUSING

Exhibition

We invite you to participate in this **community project**:

An intergenerational visioning of affordable housing in a regional context

What is this project about?

C4EM in partnership with The University of Melbourne are undertaking an innovative project on affordable housing in the Echuca Moama region to facilitate the development of a strategic and sustainable housing plan for the future.

What does this involve?

- You take a photo of what affordable housing means to you or do a drawing and submit your photo/drawing along with 100-word description explaining the image.
- An exhibition will be hosted in June 2022 by C4EM across the region, of the images and texts, and community members who visit the exhibition will be able to vote on their preferred housing image.
- Prizes up to the value of \$250 (vouchers) will be awarded to the winning photos/drawing.

What do I do next?
